

HPC ANNUAL INVITATION INDOOR HOCKEY TOURNAMENTS

U18 BOYS & GIRLS TOURNAMENTS

6TH & 7TH
DECEMBER 2025

WELCOME

Firstly, I wanted to thank all our sponsors and to all the clubs and schools who have the vision and enthusiasm to utilise indoor hockey as a platform to develop junior players.

We are very passionate about the indoor game and believe that it's a key fundamental in young player development and should be part of all strategic pathway programmes.

We welcome all the clubs and schools here today and hope that all the players and spectators enjoy the opportunity to play and watch the next generation of indoor international hockey players.

Remember we've always got to learn new skills - these take time and you need to keep practising. Games will ultimately make you better. A key ingredient to this success is always try your best and have fun!
